General Safety

General precautions

Install the unit in accordance with the manufacturer's instructions. Do not install it near any heat sources such as radiators, heat registers, stoves or other objects (including amplifiers) that produce heat.

Only use the unit with the accessories that are sold with the unit.

To ensure proper ventilation and operation, do not block any ventilation openings.

Unplug the unit from the charging power source during lightning storms.

Excessive sound pressure from earphones and headphones can cause hearing loss. For the sake of your health, always keep the volume at a low to moderate level when using earphones/headphones.

Keep candles or other open flames away from this product at all times.

Placing this radio near a TV, refrigerator, microwave oven, amplifier or DVD player and may adversely affect the sound quality. In such a case, move the radio away from the device that causes the interference.

Do not install or place this radio in a bookcase, built-in cabinet or in another confined space. Ensure the unit is well ventilated.

This product is not intended for the use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning the use of the appliance by a person responsible for their safety.

Supervise children to ensure they do not play with the appliance.

Keep the original packaging for future transport of the radio. For maximum protection, repack the unit as it was originally packaged.

Ensure to unplug adaptor from the unit before cleaning.

Only use a soft, dry cloth for cleaning the unit and the display screen.

Do not use any type of solvent, such as thinner and benzene, as they may cause damage to the surface of the radio.

Before first use

Unpack the appliance but keep all packaging materials until you have made sure your new DAB Radio is undamaged and in good working order. Plastic wrapping can be a suffocation hazard for babies and young children, so ensure all packaging materials are out of their reach.

Obsah je uzamčen

Dokončete, prosím, proces objednávky.

Následně budete mít přístup k celému dokumentu.

Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:

1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

**) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
