#connectit

- Before putting this product into operation please read through the User's Manual carefully, even if you are already familiar with the use of similar products. Use the product only as described in this User's Manual.
- Keep this User's Manual for future reference. It is an integral part of the product and may contain important instructions for commissioning this product, its operation and cleaning.
- Make sure that all other people handling this product are familiar with this Manual. If you hand the product over to other people, make sure that they read this User's Manual, which shall be given to them together with the product.

We recommend keeping the original packaging of the product, proof of purchase and the warranty card, if supplied, at least for the warranty period. In case of transport, we recommend packing the product in the original packaging, in which it has been delivered in, as it protects it best against damage during transport.

Scan this QR code to get the latest version of the User's Manual. In your smartphone, open the QR code reader application and point the smartphone at this code – the page for downloading the latest version of the User's Manual will open:

## 1 Specifications

### Technical Specifications:

- Wireless technology: BT 5.0, BT 3.0 and 2.4 GHz
- 1 x USB-A nano receiver & 2 x Bluetooth mode
- Operating range up to 10 m
- 4 buttons including scroll wheel
- Resolution: 1600 DPI
- Dimensions: 112 x 74 x 42 mm
- Easy Plug & Play installation
- Power supply: 1x AA Alkaline battery (included)
- Double compatibility (Windows & MacOS)

## 2 Installation

### Battery installation:

1. Open the battery cover on the bottom of the mouse.
2. Insert 1 x AA battery into the mouse. Make sure that the battery is inserted in the right direction according to the marked polarity.
3. Close the battery cover.
4. To turn on, slide the switch to the ON position.

### USB receiver installation:

Insert the USB receiver into a free USB port and wait for the drivers to install automatically.

### Bluetooth installation:

Before pairing, press the button at the bottom of the mouse to select whether you pair the mouse using Bluetooth 5.0 (BT 1) or Bluetooth 3.0 (BT 2).

To pair the mouse with the device, hold the button at the bottom of the mouse pressed for 5 seconds. After this time, the mouse changes to the pairing mode and the indicator starts flashing faster.

Turn on the Bluetooth on your device. Select either CMO4040 5.0 (BT 1) or CMO4040 3.0 (BT 2) depending on what type of Bluetooth your device is compatible with.

### 3 Description of each part

#### Smart switch

This mouse has 3 connectivity options - Bluetooth 5.0 [BT 1], Bluetooth 3.0 [BT 2] and 2.4 GHz (USB-A nano receiver). Each of these options can be connected to another device at the same time, and you can use smart switch technology to switch which device you want to work with.

- 1 Left button
- 2 Right button
- 3 Scroll wheel
- 4 Button for switching the mouse connection method
- 5 ON/OFF
- 6 USB-A

### 4 Notices

#### INSTRUCTIONS AND INFORMATION REGARDING THE DISPOSAL OF USED PACKAGING MATERIALS

Packaging materials and old appliances shall preferably be recycled. The packaging materials of this product can be disposed of as sorted waste. The same applies to the plastic bags made of polyethylene (PE) and other materials – please hand them over for recycling.

#### DISPOSAL OF WASTE ELECTRICAL & ELECTRONIC EQUIPMENT

In accordance with the European Directive 2012/19/EU on waste electrical and electronic equipment (WEEE), this appliance is labeled with this symbol on the product or its packaging to indicate that this product shall not be treated as household waste. It must be disposed of at a collection site for recycling of waste electrical and electronic equipment. The proper disposal of this product helps to prevent adverse impacts on the environment and human health, which could otherwise result from improper waste disposal. The disposal shall be carried out in accordance with waste management regulations. For more detailed information about the recycling of this product, contact the local authorities, household waste disposal services or the shop where you have bought the product. For proper disposal, renewal and recycling, hand the products over to the designated collection sites. Alternatively, in some EU or other European countries, you can return the products to your local dealer when buying an equivalent new product. The proper disposal of this product helps to preserve valuable natural resources and prevent potential adverse impacts on the environment and human health, which could result from improper waste disposal. For details, contact your local authorities or the nearest collection facility. In case of improper disposal of this type of waste, fines may be imposed in accordance with national legislation.

#### For business entities in the EU countries

If you want to dispose of electrical and/or electronic equipment, please contact your dealer or supplier for the necessary information.

#### Disposal in other countries outside the European Union

This symbol is valid in the European Union. If you want to dispose of this product, contact your local authorities or your dealer for the necessary information about the proper way of disposal.

In accordance with the law, we provide the take-back, processing and free environmentally friendly disposal of electrical and electronic equipment through the collective system of REMA Systém, a.s. The main purpose is to protect the environment by ensuring the efficient recycling of waste electrical and electronic equipment.

For the current list of collection sites, see the web [www.rema.cloud](http://www.rema.cloud)

This product meets all the basic requirements of the applicable EU directives. It is CE marked. This mark indicates the conformity of the product's technical characteristics with the applicable technical regulations. The EU Declaration of Conformity is available at [www.connectit-europe.com](http://www.connectit-europe.com).

# Obsah je uzamčen

**Dokončete, prosím, proces objednávky.**

**Následně budete mít přístup k celému dokumentu.**

**Proč je dokument uzamčen? Nahněvat Vás rozhodně nechceme. Jsou k tomu dva hlavní důvody:**

- 1) Vytvořit a udržovat obsáhlou databázi návodů stojí nejen spoustu úsilí a času, ale i finanční prostředky. Dělali byste to Vy zadarmo? Ne\*. Zakoupením této služby obdržíte úplný návod a podpoříte provoz a rozvoj našich stránek. Třeba se Vám to bude ještě někdy hodit.

*\*) Možná zpočátku ano. Ale vězte, že dotovat to dlouhodobě nelze. A rozhodně na tom nezbohatneme.*

- 2) Pak jsou tady „roboti“, kteří se přiživují na naší práci a „vysávají“ výsledky našeho úsilí pro svůj prospěch. Tímto krokem se jim to snažíme překazit.

A pokud nemáte zájem, respektujeme to. Urgujte svého prodejce. A když neuspějete, rádi Vás uvidíme!
