

EN Preserving boiler

User's manual

• Prior to using this appliance, please read the user's manual thoroughly, even in cases, when one has already familiarized themselves with previous use of similar types of equipment.

We recommend saving the original cardboard or packaging material, purchase receipt and guarantee card, as well as the guarantee period, for the duration of the legal liability for unsatisfactory performance or quality.

In the event of damage or failure, we recommend that you apply the guarantee in the original box.

DETACHEABLE PARTS

A Detachable handles

B Boiler - 27 cm diameter

C Canning rack - for further 1-litre cans

D Tap - for filling

E Filler unit - with a power cord

F Filler unit - with a power cord

G Filler unit - with a power cord

H Filler unit - with a power cord

I Filler unit - with a power cord

J Filler unit - with a power cord

K Filler unit - with a power cord

L Filler unit - with a power cord

M Filler unit - with a power cord

N Filler unit - with a power cord

O Filler unit - with a power cord

P Filler unit - with a power cord
