GC4881/20

Powerful perfection, every time

Iron away creases fast with powerful steam

Azur Pro steam iron enables you with powerful steam to cut through your ironing in no time and achieve perfect results. Ironing is now easy with ultra-fast gliding, a larger water tank and built-in calc container

Fast and powerful performance

- 2800 W for fast heat up and powerful performance
- Steam output of up to 50 g/min for best crease removal
- Steam boost up to 210g

Easy gliding on all fabrics

- T-ionicGlide: our best 5-star rated soleplate

Comfortable ironing

- Less refilling with very large 350ml water tank
- Easy grip for convenient handling while ironing
- Large 2,5 m cord for great reach on the ironing board
- Pointed tip for optimal control and visibility

Safe ironing

- Built-In calc container collects calc during ironing
- Iron switches off automatically when left unattended

PHILIPS

Highlights

2800 W

Powerful 2800 W for fast heat up and best performance.

Steam up to 50 g/min

Continuous steam output of up to 50 g/min gives you the perfect amount of steam to efficiently remove all creases.

Easy grip

A well designed, soft grip on the top of the steam iron will make your ironing session more comfortable.

T-ionicGlide soleplate

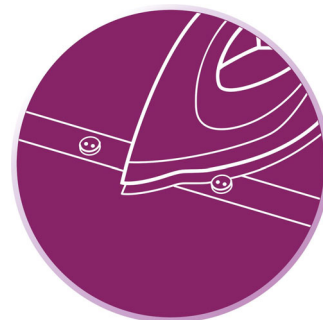

T-ionicGlide is our best gliding and scratch-resistant, 5-star rated soleplate with integrated Titanium-Oxide layer.

350 ml water tank

Less refilling with the very large 350 ml water tank so you can iron more clothes in one go.

Pointed tip

Pointed tip for optimal control and visibility

Built-In calc container

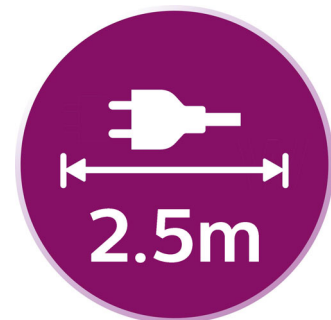

Our specially designed and built-in calc container collects calc particles during ironing. The Self Clean process flushes the calc out of the iron to maintain consistent ironing performance day after day.

Safety auto off

The steam iron shuts off automatically when left unattended. It will switch off after 8 minutes when left standing on its heelrest and after 30 seconds when left resting on its soleplate or sides.

2,5 m cord

A large 2,5 m cord gives you the reach you need during your ironing. Now you reach every corner of your ironing board without any problems.
